

### Intelligent PTZ Camera Array

Up to 7 high resolution cameras in one unit for wide contextual view evidence with each close-up incident:

- Up to 6 fixed high resolution cameras for up to 360 degrees coverage - event detection and contextual view evidence
- 1 x high resolution Pan, Tilt and Zoom camera - close up evidence - Pelco Spectra, Esprit and Bosch MIC series

### CCTV DVR Camera Controller

A complete CCTV scheme protecting an area up to the size of 14 football pitches, automatically, from just one box:

- High Performance Dual Core Computer (various models to suit requirements)
- Virtual CCTV Operator Assistant (VOA) Software for intelligent automated detection and camera control
- Integrated Auto-intelligent Digital Video Recorder (AiDVR) Software | 30 days recording (primary use or backup storage)
- Alternatively all cables can be fed into any other storage solution and patched through to the CCTV DVR Camera Controller

There are 3 main models of CCTV DVR Camera Controllers available to suit various environments applications and budgets, for installation local to the camera. e.g. installed either inside or on the CCTV column, or standard street lighting column.
